RE: Trust Water Donation No. CS4-022119CL(A)@2

The purpose of this letter is to acknowledge the Department of Ecology's (Ecology) acceptance of your donation to the Washington State Trust Water rights program. The trust water right has been assigned File No. CS4-022119CL(A)@2. Please refer to this number when corresponding with us about this trust water right.

Under RCW 90.42.080(1) (B), Ecology accepts your donation, as summarized below.

Benefiting Water Body	Wenatchee River
Purpose	Instream Flow
Acre-Feet Per Year	834
Season	Irrigation Season (April 1 – October 15)

* Applicant is retaining 802.79 acre-feet per year.

Trust Water Expiration Date: April 1, 2044

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Rights Program.

Ecology's acceptance of the donated water right into the trust water rights program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water rights program and as described on the water right certificate or most recent approved change authorization.

RCW 90.42.080 provides that the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

If, prior to expiration of this temporary donation, you would like to extend the temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation can be extended or terminated.

If you have any questions, please contact Talia Ibarguen by phone at (509) 454-7297 or via email at talia.ibarguen@ecy.wa.gov.

Sincerely,

Trevor Hutton, Section Manager
