RE: Trust Water Donation Application Number CS4-SWC01166

Dear Mr. Neff:

The purpose of letter is to acknowledge the Department of Ecology's acceptance of your donation to the Washington State Trust Water Rights Program (TWRP). The trust water right has been assigned control number CS4-SWC01166. Please refer to this number when corresponding with us about this trust water right.

The Department of Ecology (Ecology), pursuant to RCW 90.42.080(1)(b) accepts your donation in the amount of 74.5 acre-feet per year. The purpose of the donation is for instream flow of the Methow and Columbia Rivers from April 15 to October 15 annually. This is a portion of Water Right Certificate No. S4-01166C, which authorizes a maximum of 150 acre-feet of water diverted from the Methow River for the irrigation of 35 acres.

This trust water right expires on April 15, 2023.

This trust water right is made possible by the removal of orchard on 17.37 acres of land within the historic place of use for Water Right Certificate No. S4-01166C, being within Section 3 of Township 29 North, Range 23 East W.M.

RCW 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years prior to the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the TWRP.

Ecology's acceptance of the donated water right into the trust water right program is not evidence of the validity or quantity of the right. When the period of trust ends, the donated water right will revert back to the water right holder or landowner. To the extent that the donated water right represents a valid water right, the water right holder or landowner may resume exercising the right in a manner consistent with the original purpose(s).

If, prior to expiration of this temporary donation, you would like to extend the temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation can be extended or terminated.

If you have questions or concerns, please call the Office of Columbia Rivers Trust Water Coordinator, Patricia Kirk, by phone at (509) 249-6299 or by e-mail at patricia.kirk@ecy.wa.gov.
