Hi Lisa,

As we discussed over the phone last week, I forgot to update Section 4. A. on page 2 of the Pateros change application I submitted to the board last Wednesday. Please see the attached amended page 2 for each of the five certificates change applications. Please replace page 2 of the applications I submitted last week with the attached page 2. The applicable application number is hand written at the top of each page.

Please let me know if there's anything you need.

Thank you,

Ben

The City of Pateros proposes to drill 2 to 3 new wells. The City's preferred locations are listed in numerical order beginning with Proposed Well No. 3. The City does not propose to drill 17 additional wells. The additional sites are intended as back up sites. Whichever locations contain the new production wells will be referred to as Wells No. 3, 4, 5 and so on. In some cases, the City owns the subject property. In other cases, Pateros will enter into negotiations with the property owner(s) in order to access the property for production well installation and operation. With this application, the City proposes to add points of withdrawal for Water Right # G4-33051 to 2 or 3 proposed new well locations.
