**5. Remarks and Other Relevant Information:**

The existing well is in the NW 1/4 or the SE 1/4 of Section 24 Township 22 Range 21E (parcel 80000100102.)  
 The new well is in the NE 1/4-1/4 of SE 1/4 of Section 24 Township 22 Range 21 EWM (parcel 22212440002.)  
 The new well is located slightly “upstream” and at a slightly higher elevation than the old well. See attachments. Both parcels are and have been farmed as one orchard. I am adding an additional point of diversion so that I can have a reliable source of potable water for “wetting cherry pads” at harvest in compliance with Food Safety requirements and to have a source of reliable potable water for the “office mobile home.” I will irrigate with both wells, but will not increase acreage or water use.
