Dear Mr. Marquis,

Thank you for the quick response to my letter concerning Trust Water Donation Application CG4-GWC07587. Since you are sending me an amended application form and not a new application, it needs to be identified as such. It would be best to send me a copy of the application with the following changes:

1. Change the start date to 4/1/2013. - Since the application was meant to include this irrigation season and the application was received much earlier in this irrigation season we can still consider it in trust for this year. The 11/1/2013 date would exclude it from the 2013 irrigation season. The 2018 end date is fine.
2. Please identify it as an amended application. - The original was received by Ecology of July 1, 2013. Please reference the original application on the first page of the amended one with the date.

Please send the amended application to me by the end of next week. If you have any questions by number is 509-249-6299 or send me an e-mail.

Have a good afternoon,

Patty
