Dear Mr. Bowen:

The purpose of this letter is to acknowledge the Department of Ecology's acceptance of your leased trust water right to the Washington State Trust Water Right Program. The trust water right applications were accepted on October 3, 2011 and have been assigned the Control Numbers listed above.

On July 10, 2011, Washington Water Project (WWP) and American Forest Forrest Holdings LLC entered into an agreement to donate five water rights under Yakima County Superior Court Claim 02206. The terms of the agreement state that the lease begins when WWP submits an application to place the water right into the Trust Water Rights Program and Yakima County Superior Court issues an Order Pendente Lite (OPL) for Court Claim No. 02206, (A)03119, (A)05238. The OPL temporarily changing the water rights to instream flow was signed on August 11, 2011.

The term of the temporary trust water right is from May 1, 2011, to December 31, 2013 in the quantities set forth in the OPL, and listed in the table below:
