RE: Trust Water Donation CG4-153381CL@1

Dear Mr. Martin:

The purpose of this letter is to acknowledge the Department of Ecology's acceptance of your water right donation to the Washington State Trust Water Right Program. The trust water right has been assigned control No. CG4-153381CL@1. Please refer to this number when corresponding with us about this trust water right.

The Department of Ecology (Ecology), pursuant to RCW 90.42.080(1)(b) accepts your donation in the amount of 13.5 acre-feet per year. The purpose of the donation is to benefit instream flow in the Columbia River and ground water preservation.

This trust water right expires on December 31, 2014.

This trust water right is made possible through increased irrigation efficiency on 8 acres, at the recorded place of use, located within the SE¼ of Section 29, T. 25 N., R. 21 E.W.M., Parcel No. 25212940019, Douglas County.

RCW 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Right Program.

Ecology's acceptance of the donated water right into the trust water right program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

If, prior to expiration of this temporary donation, you would like to extend the temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation can be extended or terminated.
