RE: Application for Change/Transfer of water right for Shore Properties Inc.
G4-2601C in conjunction with G4-26464C and G4-31006P

Dear Mr. Schuppe:

We will be leasing the Agri-Northwest property for 2012 and that is same acreage we leased for 2011 crop year.

Therefore we are submitting an application for temporary change of place of use and change point of diversion for 2012 irrigation season.

The acreage leased will be the same as last year, 269.9, but the difference in the application is for seasonal transfer of 110 acres of water. Agri-Northwest will provide for 160 acres of water in 2012 so therefore we only will transfer the 110 acres of water. The water transferred will be used on the 269.9 acres leased.

A check for \$50.00 is enclosed for the fee and if there is other information you need please call me at 509-969-0135 or email marvin@washfruit.com.

Sincerely,

Marvin Lapp
