Re: Withdrawal of Record of Decision and Report of Examination

A meeting of the Chelan County Water Conservancy Board was conducted in compliance with Chapter 42.30 RCW at 415 Washington Street, Wenatchee, Washington on May 15, 2013.

The board had previously issued a Record of Decision and Report of Examination on April 8, 2010 in the matter of Application for Change/Transfer No. CHEL-09-12, filed by Don West Family Properties LLC at the meeting mentioned above and by a majority vote, the board withdrew the referenced issued Record of Decision and Report of Examination for the following reason(s):

Accommodate the request of the Department of Ecology

The withdrawal of the referenced Record of Decision and Report of Examination is effective as of the adjournment of the meeting of the board during which it was adopted. Upon Ecology concurrence to this withdrawal, the Ecology review period provided by RCW 90.80.080 is terminated without prejudice for the referenced application for change/transfer.

The applicant did participate in the meeting and concurs with the withdrawal of the board's previous decision.

The board adopts the following plan for action on the application (*check one*):

- The board intends to revise and resubmit for Ecology review the record of decision and report of examination for the subject application.
- The board will take no further action on the subject application and has informed the applicant that the application may be filed with Ecology for processing.

Information relevant to the board's withdrawal action and a record of the Board's vote in this matter are attached.
