RE: Trust Water Donation CS4-142677CL
Applicant: Chelan Douglas Land Trust

Dear Mr. Hatch:

The purpose of this letter is to acknowledge the Department of Ecology's (Ecology) acceptance of your donation to the Washington State Trust Water Right Program. The trust water right has been assigned Application No. CS4-142677CL. Please refer to this number when corresponding with us about this trust water right.

Under RCW 90.42.080(1)(B), Ecology accepts your donation, as summarized below:

Benefiting Water Body	Unnamed Spring
Purpose	Instream flow
Rate	20 gpm
Acre-Foot Per Year	8
Season	05/01 to 10/31
Water Right Place of Use	All of Section 25, T23N/R19E, except the north half of the Northeast quarter, Chelan County.

Trust Water Expiration Date: December 31, 2020

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Right Program.

Ecology's acceptance of the donated water right into the trust water right program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

RCW 90.42.080 provides that the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

If, prior to expiration of this temporary donation, you would like to extend the temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must

FILE COPY

include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation can be extended or terminated.
