This is to certify that I have examined this application together with the accompanying maps and data, and am returning it for correction or completion as follows:

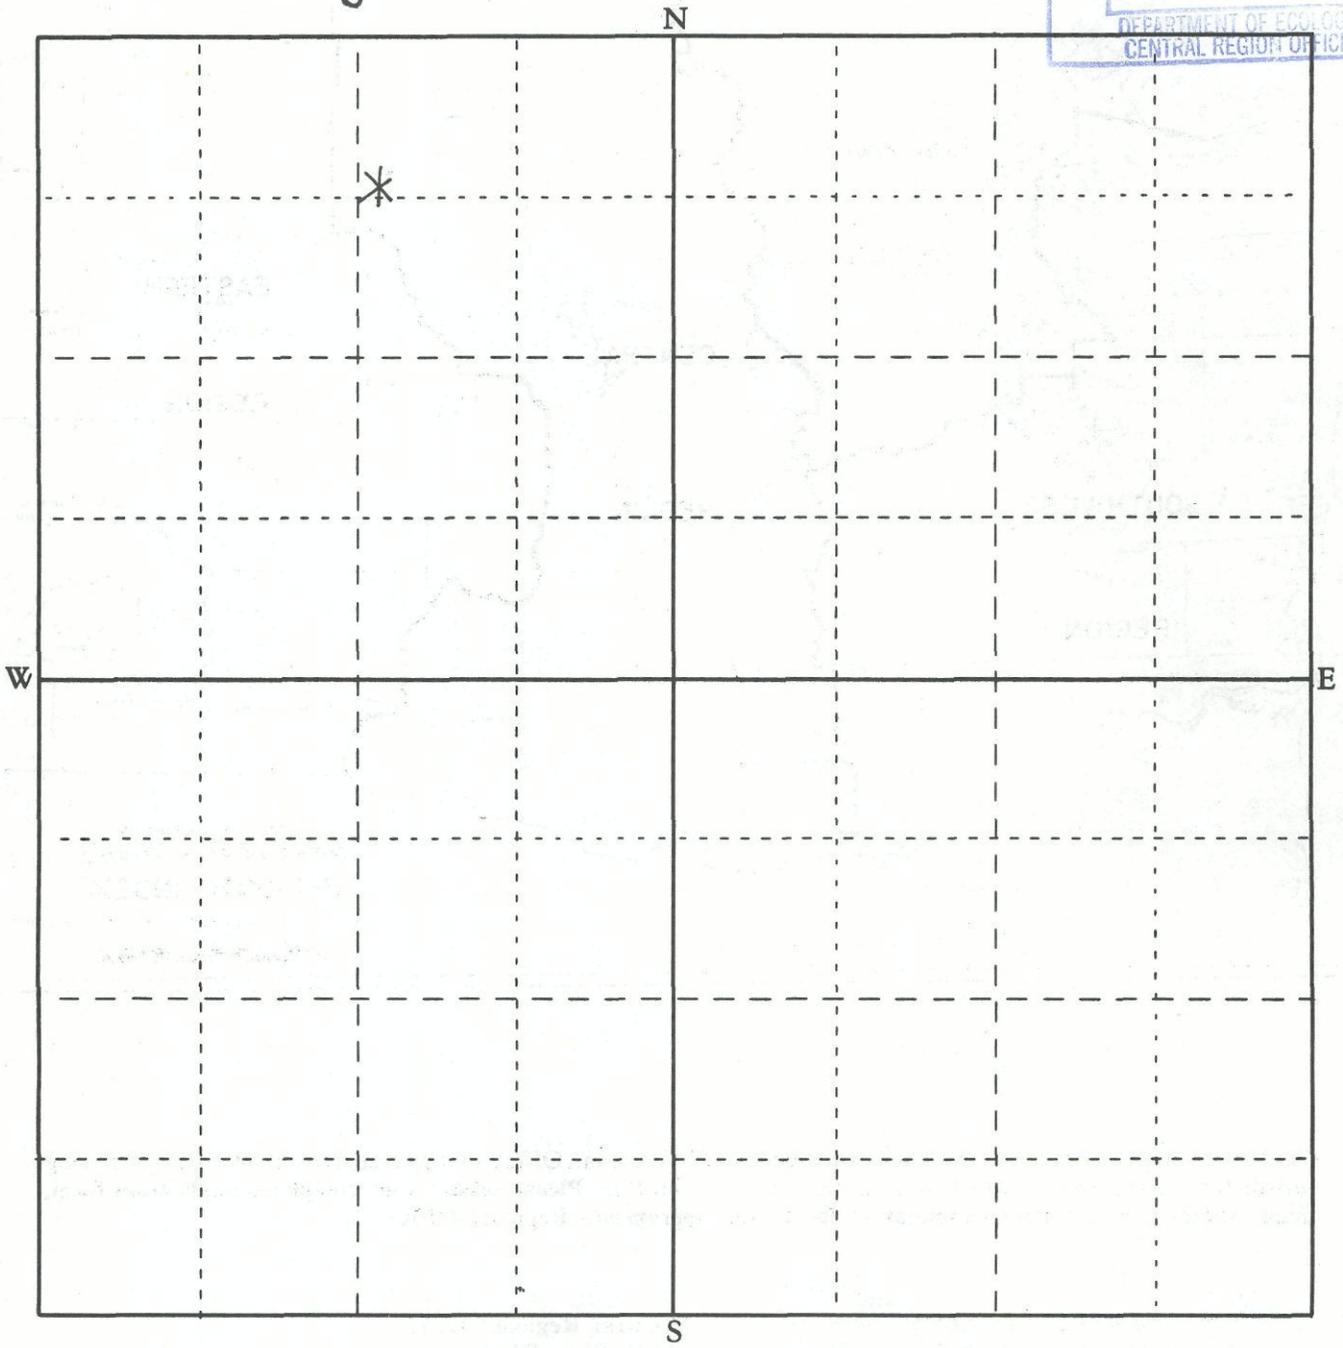

.....

In order to retain its priority date, this application must be returned to the Department of Ecology, with corrections, on or before....., 19.....

Witness my hand this..... day of....., 19.....

Sec. 10 Twp. 34 N. R. 21

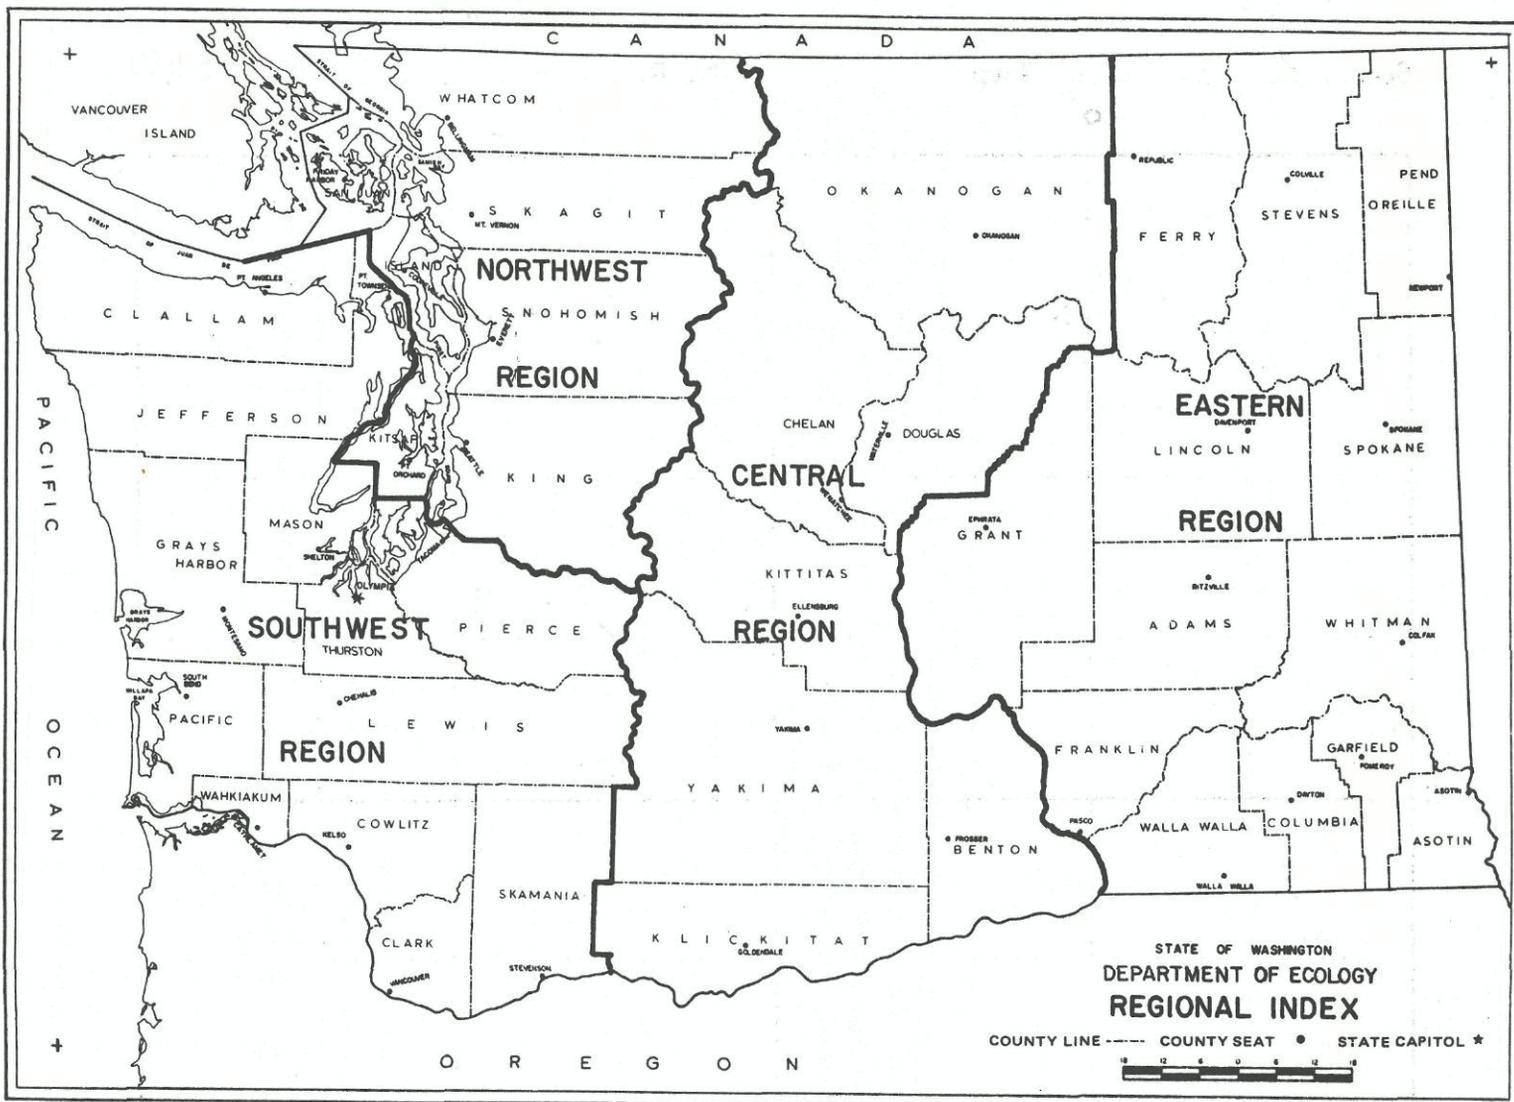

Scale: 1 inch = 800 feet (each small square = 10 acres)

Show by a cross (X) the location of point of diversion (surface water source) or point of withdrawal (ground water source). For ground water applications, show by a circle (O) the locations of other wells or works within a quarter of a mile.

Indicate traveling directions from nearest town in space below.

The proposed well site is located approximately 1350' east and 660' south of the northwest corner of Section 10, Township 34N, Range 21 E.W.M. The site is located approximately 2 miles southwest of the Town of Winthrop on the Twin Lakes Road.

Your water right application will be processed by the Regional Office of the Department of Ecology having jurisdiction in the area in which your water works are located. **Please submit your completed application form, maps, sketches and \$10.00 examination fee to the appropriate Regional Office.**
