Re: Emergency Drought Permit No. G4-32970-05

Dear Mr. Crane:

The water used in 2005 from our emergency well under the subject drought permit was 19.7078 acre-feet versus an authorized 63.8 acre-feet. Data extracted from the log sheet are given below:

<u>DATE</u>	<u>TIME</u>	<u>WELL METER READING</u>	<u>FLOW RATE</u>	<u>COMMENTS</u>
7/25/2005		77.9884		Inactive prior to start-up
8/14/2005	16:00	77.9960	140 gpm	Running on well pump only
8/20/2005	10:01	82.0711	170 gpm	Running both well and ditch pumps
10/24/2005	20:45	97.6962		Shutdown for season

Total 2005 Usage = 19.7078

Your help in authorizing the use of our emergency well is greatly appreciated.

Sincerely,

A handwritten signature in cursive that reads "Frederic L. Glover".
