Re: Water Right No. CG4-29544

Dear Mr. Hampton:

Enclosed is your Superseding Permit to be retained for your records. Please read the enclosed information sheet, as well as your entire Superseding Permit.

You must meet the provisions of your Superseding Permit before we will issue a final *Certificate of Water Right*.

Our information indicates your system has been completed. We are enclosing a *Proof of Appropriation of Water form* which is to be filed when the water has actually been put to full beneficial use. This form will need to include your County Assessor's Parcel Number and must be notarized.

If you cannot put the water to full beneficial use by **September 1, 2016**:

You may submit the *Proof of Appropriation* for a lesser quantity, or

- You must contact this office to apply for an extension.

If you have any questions, please contact Teresa Mitchell at 509-575-2597.

Sincerely,

Candis L. Graff
