Application to Enter a Water Right into
the Trust Water Right Program

6. Place of Use (continued)

B. Proposed:

IDENTIFY THE WATER BODY TO BE BENEFITED OR OTHER PLACE TO BE BENEFITED
From the Teanaway River to the Pacific Ocean.

7. Remarks and Other Relevant Information:

Exhibit A: 2012-2020 Order Pendente Lite, May 10, 2012
Exhibit B: Ecology Report of Examination, CS4-01863CTCL@1

Washington Water Trust is requesting a temporary transfer (change) to a portion of Court Claim No. 01863 with a priority date of June 30, 1902 to instream flow from May 10, 2012 through December 31, 2020.

This Change Application seeks to effectuate a transfer of 36 acre-feet for the irrigation of 9 acres for Pamela Cromarty to be used exclusively for instream flows for fish maintenance and enhancement, recreational uses and preservation of environmental and aesthetic values as allowed under RCW Chapters 90.03, 90.42, and 90.58. Water use changes associated with this application will provide significant environmental benefits from the Teanaway River to the Pacific Ocean, thus this transfer should receive expedited processing under WAC 173-152-050(2)(b) and (3)(a).

This application is accompanied by an Order Pendente Lite as signed by the Yakima County Superior Court.

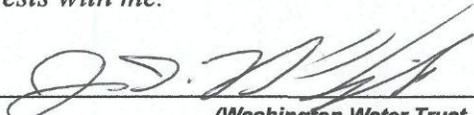

Washington Water Trust intends to protect this trust water right as instream flow from the Teanaway River to the Pacific Ocean.

Certain applications may incur a Real Estate Excise Tax liability for the seller of the water rights. The Department of Revenue has requested notification of potential taxable water right related actions and therefore may be provided with a copy of this request.

Please contact the State Department of Revenue for further information. The phone number is (360) 570-3265. The address is: Department of Revenue, Real Estate Excise Tax, PO Box 47477, Olympia, WA 98504-7477.

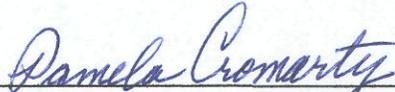

8. Signatures:

I certify that the information above is true and accurate to the best of my knowledge. I hereby grant staff from the Department of Ecology access to the above site(s) for inspection and monitoring purposes. If assisted in the preparation of the above application, I understand that all responsibility for the accuracy of the information rests with me.
