Morning Katherine!

The pending water right application under Charles Williamson the ground has been subsectioned. We purchased the ground from the US and when we sent in the application we were in the process of sectioning the ground into 1/4 sections. Here is the updated parcel numbers.

151851002  
151851003  
151851004

Nothing in the application has changed still the proposed irrigation is intended if water right is received.

Thanks  
Kelsey Williamson
