6. Remarks and Other Relevant Information:

This application proposes to transfer an existing GW right used for a cannery/irrigation to the proposed mill site for Columbia Pulp, LLC. This right was used up until 2010, when all pumping from the well stopped, as the cannery had ceased operations and irrigation of crops was no longer conducted. The right was then placed into the Trust Water Right program (to the extent of 700 gallons per minute, 216 acre-feet per year) protecting the quantities of water historically used from relinquishment. The current Trust Water Right agreement runs through December 31, 2014.

IF FOR SEASONAL OR TEMPORARY, START DATE ___/___/___ END DATE ___/___/___

Certain applications may incur a Real Estate Excise Tax liability for the seller of the water rights. The Department of Revenue has requested notification of potential taxable water right related actions and therefore may be provided with a copy of this request. For further information, contact: Department of Revenue, Real Estate Excise Tax, PO Box 47477, Olympia, WA 98504-7477. Phone (360) 570-3265.
