Mr. Lorren Hagen  
2431 Heine Road  
Chewelah, WA 99109

Dear Mr. Hagen:

Re: Emergency Drought Change for 2015 under Surface Water Certificate No. 8505  
(WRIA 59 - Stevens County)

Your request for an Emergency Drought Change in the point of diversion and place of use for the 2015 irrigation season under the above-referenced Certificate has been received and is granted conditionally as follows:

Surface Water Certificate No. 8505 authorizes a total of 1.0 cubic foot per second, 240 acre-feet per year for the seasonal irrigation of 80 acres. The point of diversion is within the SE $\frac{1}{4}$ NE $\frac{1}{4}$  of Sec. 22, T. 32 N., R. 40 E.W.M. The place of use is located as follows: NE $\frac{1}{4}$ NE $\frac{1}{4}$ , SE $\frac{1}{4}$ NE $\frac{1}{4}$  and NE $\frac{1}{4}$ SE $\frac{1}{4}$  all within Section 22, T. 32 N., R. 40 E.W.M.

The proposed place of use is currently covered by Surface Water Certificate No. S3-24349C. This certificate is subject to minimum flows on the Colville River under WAC 173-559.

For the 2015 irrigation season you are authorized to change the place of use of 80 acres from the NE $\frac{1}{4}$ NE $\frac{1}{4}$ , SE $\frac{1}{4}$ NE $\frac{1}{4}$  and NE $\frac{1}{4}$ SE $\frac{1}{4}$  of Sec. 22, T. 32 N., R. 40 E.W.M. to the W $\frac{1}{2}$ SE $\frac{1}{4}$  of Section 23, T. 32 N., R. 40 E.W.M. The source of water is the Colville River. The point of diversion will be changed from the SE $\frac{1}{4}$ NE $\frac{1}{4}$  of Sec. 22, T. 32 N., R. 40 E.W.M. to an existing point of diversion located 1320 feet west from the E $\frac{1}{4}$  corner of Sec. 23, being within the NW $\frac{1}{4}$ SE $\frac{1}{4}$  of Sec. 23, T. 32 N., R. 40 E.W.M. (Authorized under Certificate No. S3-24439C)

**The total quantity of water to be changed under this authorization shall not exceed 1.00 cubic foot per second, 240 acre-feet for the irrigation of 80 acres.**

This change does not authorize an enlargement of those quantities in cubic feet per second, acre-feet per year, or total irrigated acres as described under Surface Water Certificate No. 8505.

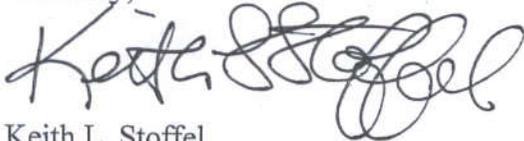

Irrigation of any lands removed from irrigation under this authorization for the 2015 season will constitute an enlargement of the right and this authorization shall be immediately terminated.
