EXTENSION REQUEST

If you can't meet the deadline of the required construction schedule you may request an extension.
Extension requests shall be in writing and accompanied by a \$50 fee.
The following information must be included with the request:

Water Resources Program policy POL-1050 applies to all requests for extensions of time, and the granting or denial of the request received pursuant to RCW 90.03 320 or 90 44.060 see the following link for that policy:
<http://www.ecy.wa.gov/programs/wr/rules/images/pdf/pol1050r.pdf>

The permit holder may request an extension of time to any of the three developmental stages, specifically the Beginning of Construction date (BC), the Completion of Construction date (CC), and the Proof of Appropriation date (PA).

Every extension of time for a development phase of a permit must be requested in writing and accompanied by the required \$50 fee.

The permit holder must show good cause for needing the extension, and demonstrate the due diligence and good-faith efforts made to comply with the original or updated construction schedule. The permit holder is responsible for ensuring that the permit is in good standing, and if necessary, for initiating requests for extensions.

Requests for extensions must include:

- The reason(s) for needing the extension.
- A description of efforts made since the permit issued or the last extension was granted.
- A proposed schedule for completing the development.

Additional information may be required. Please use a separate sheet of paper for your extension request.

Check the region in which your proposed project is located Southwest Northwest Central Eastern.
Below is a map of the State of Washington, with outlines of the areas covered by the four Ecology regional offices.

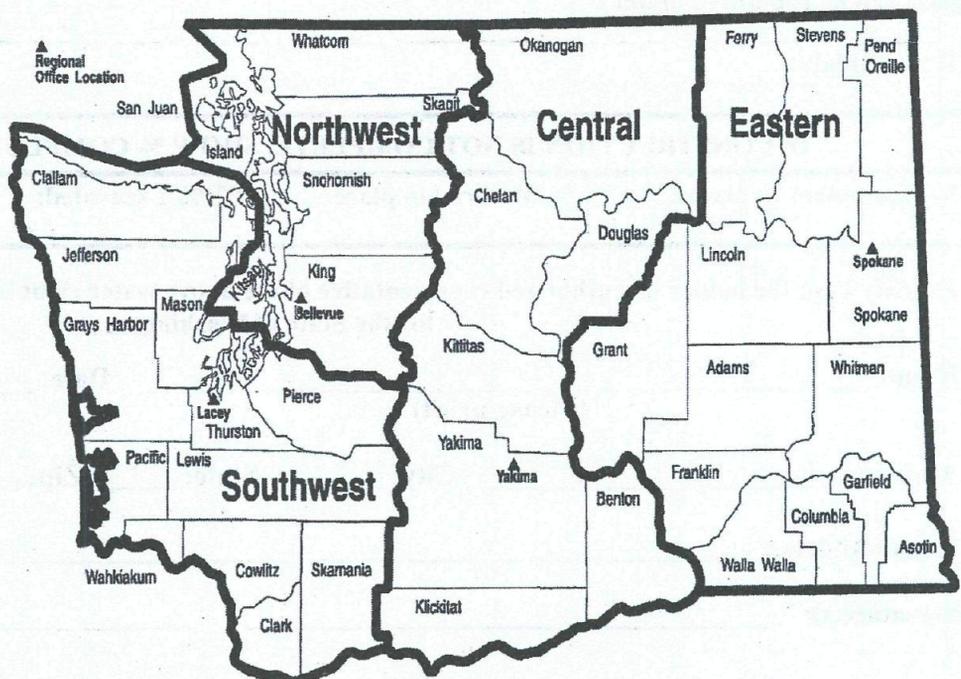

If you have additional questions, contact the Water Resources Program at the regional office in which your project is located:

Re: Ground Water Permit No. G3-30143

Dear Mr. Cutler:

Enclosed is your permit to be retained for your records. Please read the enclosed information sheet, as well as your entire permit.

Our information indicates you have begun construction of your project. We are enclosing a *Construction Notice* form. Once you finish construction, submit the completed form to this office. **If you cannot complete your project by August 1, 2013, you must contact this office to apply for an extension.**

If you have any questions, please contact Kevin Brown at 509-329-3422.

Sincerely,

Karen Tusa
Water Resources Program
