Dear Sir or Madam:

Enclosed is your Permits to be retained for your records. Please read the enclosed information sheet, as well as your entire Permits.

It is important to remember that these permits are not a *final* water right; it is permission to develop a water right.

We are enclosing *Construction Notice* forms. If you have not begun your project, please advise us. If you have begun construction, complete and submit the forms to this office.

If you have any questions, please contact Ecology at 360-407-6300.

Sincerely,

Thomas Loranger
