Dear Mr. White,

This note is to memorialize our discussions about your interest in surface water on lands managed by the Department of Natural Resources in section 27 or 28 Township 30 North, Range 12 West, W.M..

As per our discussion today, if you are successful in establishing a valid water right claim to surface waters used prior to 1917 the Department of Natural Resources will work with you to grant access that surface water.

Sincerely,

Rodney Larson
