Gentlemen:

Ground Water Application No. G 2-26990

Your application for the appropriation of water has been assigned the above-referenced number. Please refer to this number in future correspondence.

Enclosed is a notice of your application which must be published once a week for two consecutive weeks in a qualified legal newspaper of general circulation in Mason County. A list of these newspapers in your county is enclosed.

Please read the notice carefully to make sure it is correct. Should you find an error, please return the notice to our office for correction.

You should contact a newspaper regarding publication of your notice as soon as possible. When you receive the affidavit of publication from the newspaper, please forward it promptly to us. This will shorten the time for further processing of your application.

Since your application is for service of more than one residence, it is considered a public water supply. Public water supply systems are required to be approved by either the local health department or the Department of Social and Health Services (DSHS) depending upon system size. If you have not already done so, we suggest that you contact either your local health department or DSHS, Water Supply and Waste Section, Mail Stop LD-11, Olympia, Washington 98504 for further information.

Sincerely,
