Re: Revision of Ground Water
Certificate No. G2-20454C
Mason County

Gentlemen

Attached please find an application for increased ground water withdrawal from an existing well located west of Mason Lake In Section 8, T21N, R2W, Mason County. The well is currently certificated for 60 GPM. Plans and specifications are being prepared for D.S.H.S. review of equipment changes which will increase withdrawal and allocation amounts to approximately 130 GPM and 42 acre feet per year respectively. A \$10.00 application fee is also attached.

Sincerely

Gerald F. Petersen, P. E.
