Water Notice S0049
STATE OF WASHINGTON
DEPARTMENT OF
ECOLOGY
AMENDED
NOTICE OF APPLICATION TO
APPROPRIATE
PUBLIC WATERS

TAKE NOTICE:
That City of Bonney Lake of
Bonney Lake, Washington on January
30, 1990 under Application No.
G227683 filed for permit to appropriate
public waters, subject to existing
rights, from a well in the amount of
1200 gallons per minute as needed
year round each year, for municipal
supply
The source of the proposed appro-
priation is located within S1/2 E1/2
NE1/4 SE1/4 of Section 5, Township
20 N., Range 5E W.M., in Pierce
County.

Protests or objections to approval
of this application must include a
detailed statement of the basis for
objections; protests must be
accompanied by a two dollar (\$2.00)
recording fee and filed with the
Department of Ecology, at the
address shown below, within thirty
(30) days from
March 2 1991

PUBLISHED: February 23, March 2,
1991.

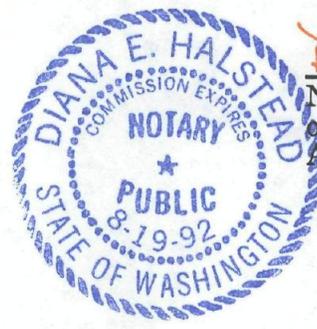

A bi-weekly newspaper; that said newspaper is a legal newspaper
and has been approved as such by the Superior Court of the State of
Washington, in and for the County of Pierce, and it now and has
been for more than six months prior to the date of publication
hereinafter referred to, published in the English language continu-
ally as a bi-weekly newspaper in Pierce County, Washington. That
the annexed is a true copy of BONNEY LAKE WATER NOTICE
(S0049) as it was published in regular issues (and not in supple-
ment form) of said newspaper once each week for period of 2 times,
commencing on the 23rd day of February, 1991, and ending on the
2nd day of March, 1991, both dates inclusive, and that such news-
paper was regularly distributed to its subscribers during all of said
period, that the full amount of fee paid for the foregoing publication
is the sum of \$45.00, which is the standard rate.

Re: Ground Water Application No. G 2-27693

Dear Sir or Madame:

Your application for the appropriation of water has been assigned the above referenced number. Please refer to this number in future correspondence.

Enclosed is an amended notice of your application which must be published once a week for two consecutive weeks in a qualified legal newspaper of general circulation in Pierce County. A list of these newspapers in your county is enclosed.

Please read the amended notice carefully to make sure it is correct. Should you find an error, please return the notice to our office for correction.

You should mail or deliver the enclosed amended notice to a newspaper regarding publication as soon as possible. When you receive the affidavit of publication with the news clipping from the newspaper, please forward the original to this office promptly.

Since your application is for service of more than one residence, it is considered a public water supply. Public water supply systems are required to be approved by either the local health department or the Department of Social and Health Services (DSHS), depending upon system size. If you have not already done so, I suggest that you contact your local health department or DSHS, Water Supply and Waste Section, Mail Stop LD-11, Olympia, Washington 98504, for further information.

Sincerely,

Sheri Fox

Gentlemen:

Ground Water Application No. G 2-27693

Your application for the appropriation of water has been assigned the above-referenced number. Please refer to this number in future correspondence.

Enclosed is an amended notice of your application which must be published once a week for two consecutive weeks in a qualified legal newspaper of general circulation in Pierce County. A list of these newspapers in your county is enclosed.

Please read the notice carefully to make sure it is correct. Should you find an error, please return the notice to our office for correction.

You should mail or deliver the enclosed Notice to a newspaper regarding publication as soon as possible. When you receive the affidavit of publication with newsclipping from the newspaper, please forward the original to us promptly. This will shorten the time for further processing of your application.

Since your application is for service of more than one residence, it is considered a public water supply. Public water supply systems are required to be approved by either the local health department or the Department of Social and Health Services (DSHS) depending upon system size. If you have not already done so, we suggest that you contact either your local health department or DSHS, Water Supply and Waste Section, Mail Stop LD-11, Olympia, Washington 98504 for further information.

Sincerely,

Sheri Fox
