Office of Columbia River WATER RIGHT APPLICATION SPLIT FORM

When do I use this form?

You may use this form to divide a water right application into multiple applications based on the proposed purposes of use, or for phasing of a project. Ecology will assign each application a distinct file number and may process the applications separately.

If you need assistance, please contact the Office of Columbia River at (509) 575-2490.

INSTRUCTIONS:

Section 1: APPLICATION NUMBER AND CONTACT INFORMATION

Enter the application number and applicant contact information.

Section 2: WATER QUANTITIES BY PURPOSE OF USE

Limitations:

- The purpose(s) of use must match the purpose(s) of use listed on the original application.
- The total water quantities for all portions cannot be greater than those listed on the original application.
- Place of use amendments must be consistent with the original intent of the project.

(A) Portion / (B) Portion: Indicate how you wish Ecology to divide the application into separate applications based on the purposes of use or phases of your project. List the purpose(s) of use, annual and instantaneous quantities for each portion. Identify the place of use proposed for each portion of the application. Use the comments space to provide any relevant information, such as description of the proposed point(s) of withdrawal/diversion.
