## INSTRUCTIONS for the Application for a Water Right Permit

Please read these instructions carefully. Be accurate and complete in filling out your application, as the information you provide is very important in processing your application. Be sure to attach your fees, maps, and any additional information related to the water uses you are proposing.

If you need assistance, please contact the regional office in which your project will be located. A map of the Ecology regions is on the back page of the application. If your answers to any questions are longer than the space provided, you may attach additional sheets as necessary.

### Check Boxes

Check the appropriate box for Surface or Ground Water.

Check the appropriate box for Permanent, Temporary, Drought, or Short Term use (duration of 4 months or less).

### Application Fee

- A minimum fee of \$50.00 is required for each new application for a water right permit.
- No fees are required for applications to be processed under a Cost Reimbursement contract.
- No fees are required for Emergency Drought Applications (only when a drought is declared).

If additional fees are required, Ecology will send you a letter requesting those fees. If you are unsure of the appropriate fee amount, contact your regional office for more information, or visit our website:

[http://www.ecy.wa.gov/programs/wr/rights/wr\\_fees.html](http://www.ecy.wa.gov/programs/wr/rights/wr_fees.html).

**Please make checks or money orders payable to the "Department of Ecology." Cash cannot be accepted. ALL FEES ARE NONREFUNDABLE.**

### Section 1. APPLICANT

We encourage you to contact the Ecology Regional Office in your area to request a **pre-application conference** PRIOR to filing your application. Contacts are listed on the previous page. We will review your project needs and assist you in determining options for obtaining the water you need.

Enter the name of the person, organization, or water system for which the water right permit is requested. For instance, if the permit is required for a community water system, enter the name of the system (e.g. Green Acres Water Works). Enter a mailing address, including zip, daytime telephone, an alternate or cell phone number, and an Email address (if you have one).

Provide the name of a contact person (if different from above) to call in case we have questions about the application or proposed project. Describe the relationship of the contact person to the applicant, e.g. "consultant," "water systems engineer," "realtor," "chair of community well organization," etc.

Enter the name of the legal or part owner (person or business) of the land where the water is to be used. Enter a mailing address, including zip, daytime telephone, an alternate or cell phone number, and an Email address (if available).

### Section 2. STATEMENT OF INTENT

Mark the check box if you own the land containing the proposed point of diversion/withdrawal.  
Mark the check box if you have legal authority to make this application for use of another's land.  
Provide a brief description of the purpose of your proposed project and the anticipated length of time to complete the project.
