Re: Water Right No. G1-20574P

Dear Sir or Madam:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reason below:

Your water system has 410 connections of the 451 approved. You need additional time for the remaining lots to be developed and connected to the system.

The new deadline to submit your *Proof of Appropriation of Water* is **May 1, 2018**.

When sending in your *Proof of Appropriation of Water* form, or your extension request, be sure to include all of the data you have been recording as required by your superseding permit. The provisions requiring recording of data have been highlighted on the enclosed copy of your superseding permit.

You have a right to appeal this action to the Pollution Control Hearing Board (PCHB) within 30 days of the date of receipt of this document. The appeal process is governed by Chapter 43.21B RCW and Chapter 371-08 WAC. "Date of receipt" is defined in RCW 43.21B.001(2).

To appeal, you must do the following within 30 days of the date of receipt of this document:

- File your appeal and a copy of this document with the PCHB (see addresses below). Filing means actual receipt by the PCHB during regular business hours.
- Serve a copy of your appeal and this document on Ecology in paper form - by mail or in person. (See addresses below.) Email is not accepted.
