Re: Water Right Permit No. **CG1-20615C**

Dear Charles Booth Whidbey West Water Association:

In response to your request, the development schedule for the above referenced water right has been extended as follows:

Proof of Appropriation: April 30, 2021

Basis of extension approval:

- The delay is justified, given local development patterns and local economic conditions.
- You have also been working on repairing leaks to the distribution system to save water.

Please mail in the enclosed *Proof of Appropriation* form by the deadline. If you have any questions, please contact Arlene Harris at arha461@ecy.wa.gov or (425) 649-7020.

When sending in your *Proof of Appropriation of Water* form, or your extension request, be sure to include all of the data you have been recording as required by your permit. The provisions requiring recording of data have been highlighted on the enclosed copy of your permit.
