Re: Water Right No. S2-27901

Dear Mr. Obert:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reasons below:

- The permit holder has been unable to raise stock and apply water to full beneficial use due to serious illness and multiple major surgeries over the last several years.
- Additional time is needed to resume and fully develop the use of water under this permit.

The new deadline to submit your *Proof of Appropriation of Water* is **December 1, 2018**. You must also submit metering data at that time, as required under your permit.

If you have any questions, please contact Marie Peter at (360) 407-0279 or mpet461@ecy.wa.gov.
