Re: Water Right No. G2-27756 for Quimper Water System Airport Well 2B

Dear Mr. Graham:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reasons below:

- Through system consolidations and new services, due diligence is shown in developing this water right for regional water supply.
- The Quimper Water System has a DOH-approved plan to expand service to connections currently being served by the City of Port Townsend and Jefferson LUD 3. Service to these customers will rely heavily on production from the Airport Well source.

The new deadline to submit your *Proof of Appropriation of Water* is **February 1, 2019**.

If you have any questions, please contact Marie Peter at (360) 407-0279 or [mpet461@ecy.wa.gov](mailto:mpet461@ecy.wa.gov).
