Re: Ground Water Right Permit No. **G4-35244P—City of Richland**

Dear Mr. Rogalsky:

In response to your request, the development schedule for the above referenced water right has been extended as follows:

Begin Construction: December 31, 2017

Basis of extension approval:

- Problems with secured loans and City capital budget were encountered by the permit holder.
- There is some evidence that full-build out of the system is viable and not speculative.

Please mail in the enclosed *Construction Notice* by the deadline. If you have any questions, please contact Candy Graff at candy.graff@ecy.wa.gov or (509) 454-4264.
