Re: Water Right No. G2-27301 for Sunny View Estates Water System

Dear Mr. Novak:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reasons below:

- Due diligence shown in development. Phases 1 and 2 are complete and work started on Phase 3.
- Additional time is needed for full build-out due to current economic conditions.

The new deadline to submit your *Proof of Appropriation of Water* is **September 1, 2016**.

We received *Metering Form 1* and understand that source meter issues are currently being resolved. Please submit 2012 water use data to our office by January 31, 2013, and begin submitting data annually thereafter, as required under your permit.

The water system operator has agreed to collect a baseline static water level reading. Additional water level data collection is not necessary at this time.
