Re: Water Right No. G2-28999 for Dawnview Crest Water System

Dear Mr. Ellerbrock:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reasons below:

- Due diligence is shown in development of this permit. Water is in beneficial use for domestic supply with six lots developed to date.
- Additional time is needed to allow development of remaining lots and full use of water due to economic conditions and local development patterns.

The new deadline to submit your *Proof of Appropriation of Water* and source meter data is **January 1, 2019**.
