Re: Superseding Water Permit No. G4-25953(A2)P

Dear Mr. Trebesch:

In response to your request, you are hereby granted an extension to complete construction for the reasons below:

- Another well may be drilled.*
- More time is needed to determine capacity of the existing well.

**Please see the Provisions of your Superseding Permit for well construction requirements and limitations.*

The new deadline to submit your *Construction Notice* is **October 1, 2014**.

Please note that the Provisions of your Superseding Permit require the annual submission of metering data and a spreadsheet documenting acreage appurtenant to the Superseding Permit. It appears metering data have only been submitted for 2008 and 2009, while no acreage spreadsheets have been submitted to date.
