Re: Water Right No. S2-29468 and S2-29469

Dear Ms. Kemper and Mr. Melendez:

In response to your request, you are hereby granted an extension to complete construction for the reasons below:

- Due diligence is shown in development of these permits. A water line has been installed from Summit Lake to the property line for both place-of-use parcels. A contractor has been hired to develop these properties.
- Construction could not be completed due to recent acquisition of these properties and assignment of water rights in December, 2012.

The new deadline to submit your *Construction Notice* is **August 1, 2015**.
