Re: Application for Change under Touchet River Adjudicated Certificate No. 187

Dear Ms. Shaw:

In response to your request, you are hereby granted an extension to complete construction for the reason(s) below:

According to your request; health problems have delayed development of the project and you will need additional time to obtain funding. You have also indicated that an engineered design is completed for the project. It appears you have made some goals in completing your project. Your request is for a reasonable and short period of time. We will grant you an additional year to complete construction of the project. If additional time is required beyond this extension, your project will be reevaluated at that time for compliance with due diligence.

The new deadline to submit your *Construction Notice* is **April 1, 2015**.

Well water use data shall be recorded weekly and maintained by the landowner for a minimum of five years. The weekly maximum rate of withdrawal, the annual total volume, and shall be submitted to ecology by January 31<sup>st</sup> of each calendar year.

#### **YOUR RIGHT TO APPEAL**

You have a right to appeal this action to the Pollution Control Hearing Board (PCHB) within 30 days of the date of receipt of this document. The appeal process is governed by Chapter 43.21B RCW and Chapter 371-08 WAC. "Date of receipt" is defined in RCW 43.21B.001(2).

To appeal, you must do the following within 30 days of the date of receipt of this document:

- File your appeal and a copy of this document with the PCHB (see addresses below). Filing means actual receipt by the PCHB during regular business hours.
- Serve a copy of your appeal and this document on Ecology in paper form - by mail or in person. (See addresses below.) Email is not accepted.
