Dear Mr. Williquett:

In response to your request, you are hereby granted an extension to complete construction for the reason(s) below:

According to your request, you will require additional time to determine if the newly constructed well will provide the required water quantities. This process will include ground water monitoring, analysis and if need the drilling of additional well(s). In additional, this will allow for time to obtain any additional funding required to complete the project. It appears you have made significant goals in completing your project. Your request is for a reasonable and short period of time. We will grant you an additional five years to complete your project.

The new deadline to submit your *Construction Notice* is **July 1, 2018**.

This authorization shall be subject to all requirements and restrictions of the Agreed Order Docket No. 8703, dated September 8, 2011. **Effective July 1, 2013, the City shall cease all pumping from the Park West Well (Now referred to as Well 9), except as detailed in the Agreed Order Docket No. 8703, dated September 8, 2011.**
