Re: Water Right No. G2-26613 for Holiday Ranchettes Intertie System

Dear Mr. Robischon:

In response to your request, you are hereby granted an extension to put water to full beneficial use for the reasons below:

- Due diligence is shown in development of Water Right Permit G2-26613. The Holiday Ranchettes intertie system is steadily developing out and is actively serving 383 of 478 approved residential services.
- Additional time is needed for full build-out of the service area due to the magnitude of this project for municipal supply purposes.

The new deadline to submit your *Proof of Appropriation of Water* is **May 1, 2021**.

Please continue reporting metering data for the Holiday Ranchettes intertie system wells to our office through annual on-line submittals by January 31st of each year.

If you have any questions, please contact Marie Peter at (360) 407-0279 or [marie.peter@ecy.wa.gov](mailto:marie.peter@ecy.wa.gov).
