Re: Surface Water Change Authorization No. CS4-26615C(B)

Dear Mr. Allen:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reason(s) below:

- Additional time is needed to perfect authorized water use under Change Authorization No. CS4-26615C(B). Meter data has not been submitted as required by the provisions outlined in said change authorization. As provisioned in said change authorization, a meter has been installed to measure and monitor water use. The additional time will allow for meter data to be collected and submitted with the Proof of Appropriation.

Meter data shall be recorded biweekly. The maximum rate of diversion and the annual total volume shall be submitted to Ecology by January 31st of each calendar year.

The new deadline to submit your *Proof of Appropriation of Water* is **December 1, 2010**.
