Re: Water Right No. CG2-GWC7235(B) for Field of Dreams Water System

Dear Mr. Tayne:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reasons below:

- Due diligence is shown in development. Field of Dreams is currently serving 94 of 99 approved services.
- Additional time is needed to replace the currently installed source meters and to collect several years of reliable water use data prior to filing proof of appropriation.

The new deadline to submit your *Proof of Appropriation of Water* form and metering data is **May 1, 2020**.

Enclosed are two copies of *Meter Form 1*. Please promptly complete and submit this form for each new source meter when installed.
