Re: Water Right Permit No. **S4-33102P**

Dear Mr. Leary:

In response to your request, the development schedule for the above referenced water right has been extended as follows:

Begin Construction: September 1, 2016

Basis of extension approval:

- The permit holder requires more time for NEPA analysis before the project can be completed.
- There is clear evidence that full-build out of the system is viable and not speculative.

Please mail in the enclosed *Construction Notice* by the deadline. If you have any questions, please contact Candy Graff at cagr461@ecy.wa.gov or (509) 454-4264.
