Re: Water Right No. CS2-SWC3564(B)

Dear Mr. Turner:

You are hereby granted an extension to achieve full beneficial use of groundwater under your change authorization for Water Right No. CS2-SWC3564(B). The extension is approved for the following reasons:

- Due diligence is shown in groundwater development under the change authorization. A Group A public water system has been developed and approved by the Department of Health to serve Northwest Equestrian Center. Groundwater is actively being used for domestic supply and stock watering purposes.
- Additional time is needed to complete the change and achieve full beneficial use of ground water under this right.

The new deadline to submit your *Proof of Appropriation of Water* is **October 1, 2015**.
