Re: Change Authorization No. CG4-GWC3083-A

Dear Ms. Rose:

In response to your request, you are hereby granted an extension to complete construction for the reason(s) below:

- Litigation disputes and reasonable resolutions are ongoing.
- Nature and scope of original project is more complex than initially considered.
- Downturn of local development patterns.

The new deadline to submit your *Construction Notice* is **August 31, 2013**.

While Ecology believes this extension is in the public interest, Ecology would expect future potential delays to be due to unforeseen conditions rather than failure to properly plan and execute.
