Re: Water Right No. S2-28577

Dear Ms. DePastel:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reasons below:

- Due diligence is shown in development of this permit. The water system is complete, a meter has been installed, and water is in occasional use for domestic supply on the property.
- Due to serious health issues preventing the permit holder from developing full use of water at this site, the property is currently for sale. Additional time is needed to complete the sale of the property and full develop this permit.

The new deadline to submit your *Proof of Appropriation of Water* is **May 1, 2018**.
