

Water Transfer Working Group Meeting Minutes for July 21, 2008, 1:00 PM

Dave Brown, Tom Cowan, Stuart Crane, Jim Davis, Paul Dempsey, Melissa Downes, Bill Ferry, Chuck Garner, Teresa Hauser, Carron Helberg, Paul LaRiviere, Chris Lynch, Jim Milton, Ken Mitchell, Darrell Monroe, Greg McLaughlin, Tom Ring, Jeff Schuster, Tom Tebb, Ron Van Gundy, Lee White, Dawn Wiedmeier

Dawn Wiedmeier opened the meeting with introductions around the room. Dawn W. continued with asking for comments or corrections of the minutes from the last meeting. No corrections were noted and the minutes were approved as written.

Dawn W. suggested August 18, 2008, for the date of the next meeting, and the group agreed.

Dawn W. continued with the new proposal 2008-09 for Pam Cromarty. Greg McLaughlin explained that this is a re-submittal of a lapsed transfer from 2003. There are no changes from the previous proposal. Reclamation is ok with this, and the group recommended this proposal for approval.

Ecology stepped back to revised proposal 2008-07 for Cromarty, with a request for the water use in 2006, as they could not access it online.

The next agenda item 2008-10 for Wheatley, Melissa Downes said that Ecology will come back to the group at the next meeting.

Also, Tom Tebb wanted to know if there is any feedback on the Ahtanum ID proposal.

The group continued with proposal 2008-08 for Selah Moxee ID, with Jim Davis explaining the trust again. The group discussed the highest use of the last 5 years, fallowed ground, instream flow, consumptive use, target flows over Parker, and return flow. Tom Tebb said something will be sent around to the group with the language to revise this proposal.

Dawn W. adjourned the meeting at 2:10 PM.
