New Business:

- Kittitas County OTC Program August 21 2015: Bill Clark, Kittitas County, presented the “Kittitas County Water Bank Over-the Counter Water Budget Neutral Program Proposal” with the changes suggested by WTWG members for conditions of approval. Changes were made to the well construction standards, eligibility requirements, and modified “consolidated” to “confined” (page 4). WTWG still hasn’t seen the quantification of water in the pre-loading areas of the green zones. To remain in the WTWG box, it is noted that the right to fish water is reserved for instream flow.
