IRRIGATION METHOD: Primarily gated pipe, with some open ditches.	

CONSUMPTIVE USE CALCULATION: N/A No change in purpose of use or additional irrigation acreage proposed; this application is limited to the addition of new points of diversion on Wilson-Naneum Creek.
--

NARRATIVE DESCRIPTION OF PROJECT: The authorized Wilson-Naneum Creek point of diversion under Court Claim No. 01832 is Carlson Ditch. On April 11, 2013, the <i>Acquavella</i> Court entered an Order <i>pendente lite</i> approving, on a temporary basis, the addition of Adams and Keister-Bull Ditches as additional points of diversion. Under the instant application, the Carlsons seek permanent, administrative approval to use those Ditches in addition to their already-authorized Carlson Ditch point of diversion.
