Re: Application for Change - W.R. Claim 160822

Dear Sirs:

Enclosed is a notice of your application for change which must be published once a week for two consecutive weeks in a newspaper published in King/Pierce Counties. The newspaper should have general circulation in the locality where the water is to be diverted and used, and must be qualified as a legal newspaper. Publishing the notice in a remote part of the county, when not necessary, may be cause for you to be required to republish the notice in a designated newspaper.

To assure accuracy, it is your responsibility to check the notice carefully before having it published. If an error is detected, please contact this office for correction and/or resolution. The actual date of the second printing must appear in both publications.

Publication should start within 30 days from the date of this letter. After publication, please send the original Affidavit of Publication to this office.

Sincerely,

A handwritten signature in cursive script that reads "Keith Baker".

Water Resources  
Northwest Regional Office
