Harris Farms Inc. bought the property in Roosevelt, WA in 1994 and planted hay and fruit crops. In 2002 Cherry River farms a new division was formed, still raising apples, cherries, hay and wheat. We now would like to move 165 acres of water from the sight south of High way 14 to Section 23 North of High way 14. The land in Section 23 has better air and water drainage and in general is a much nicer piece of land.
