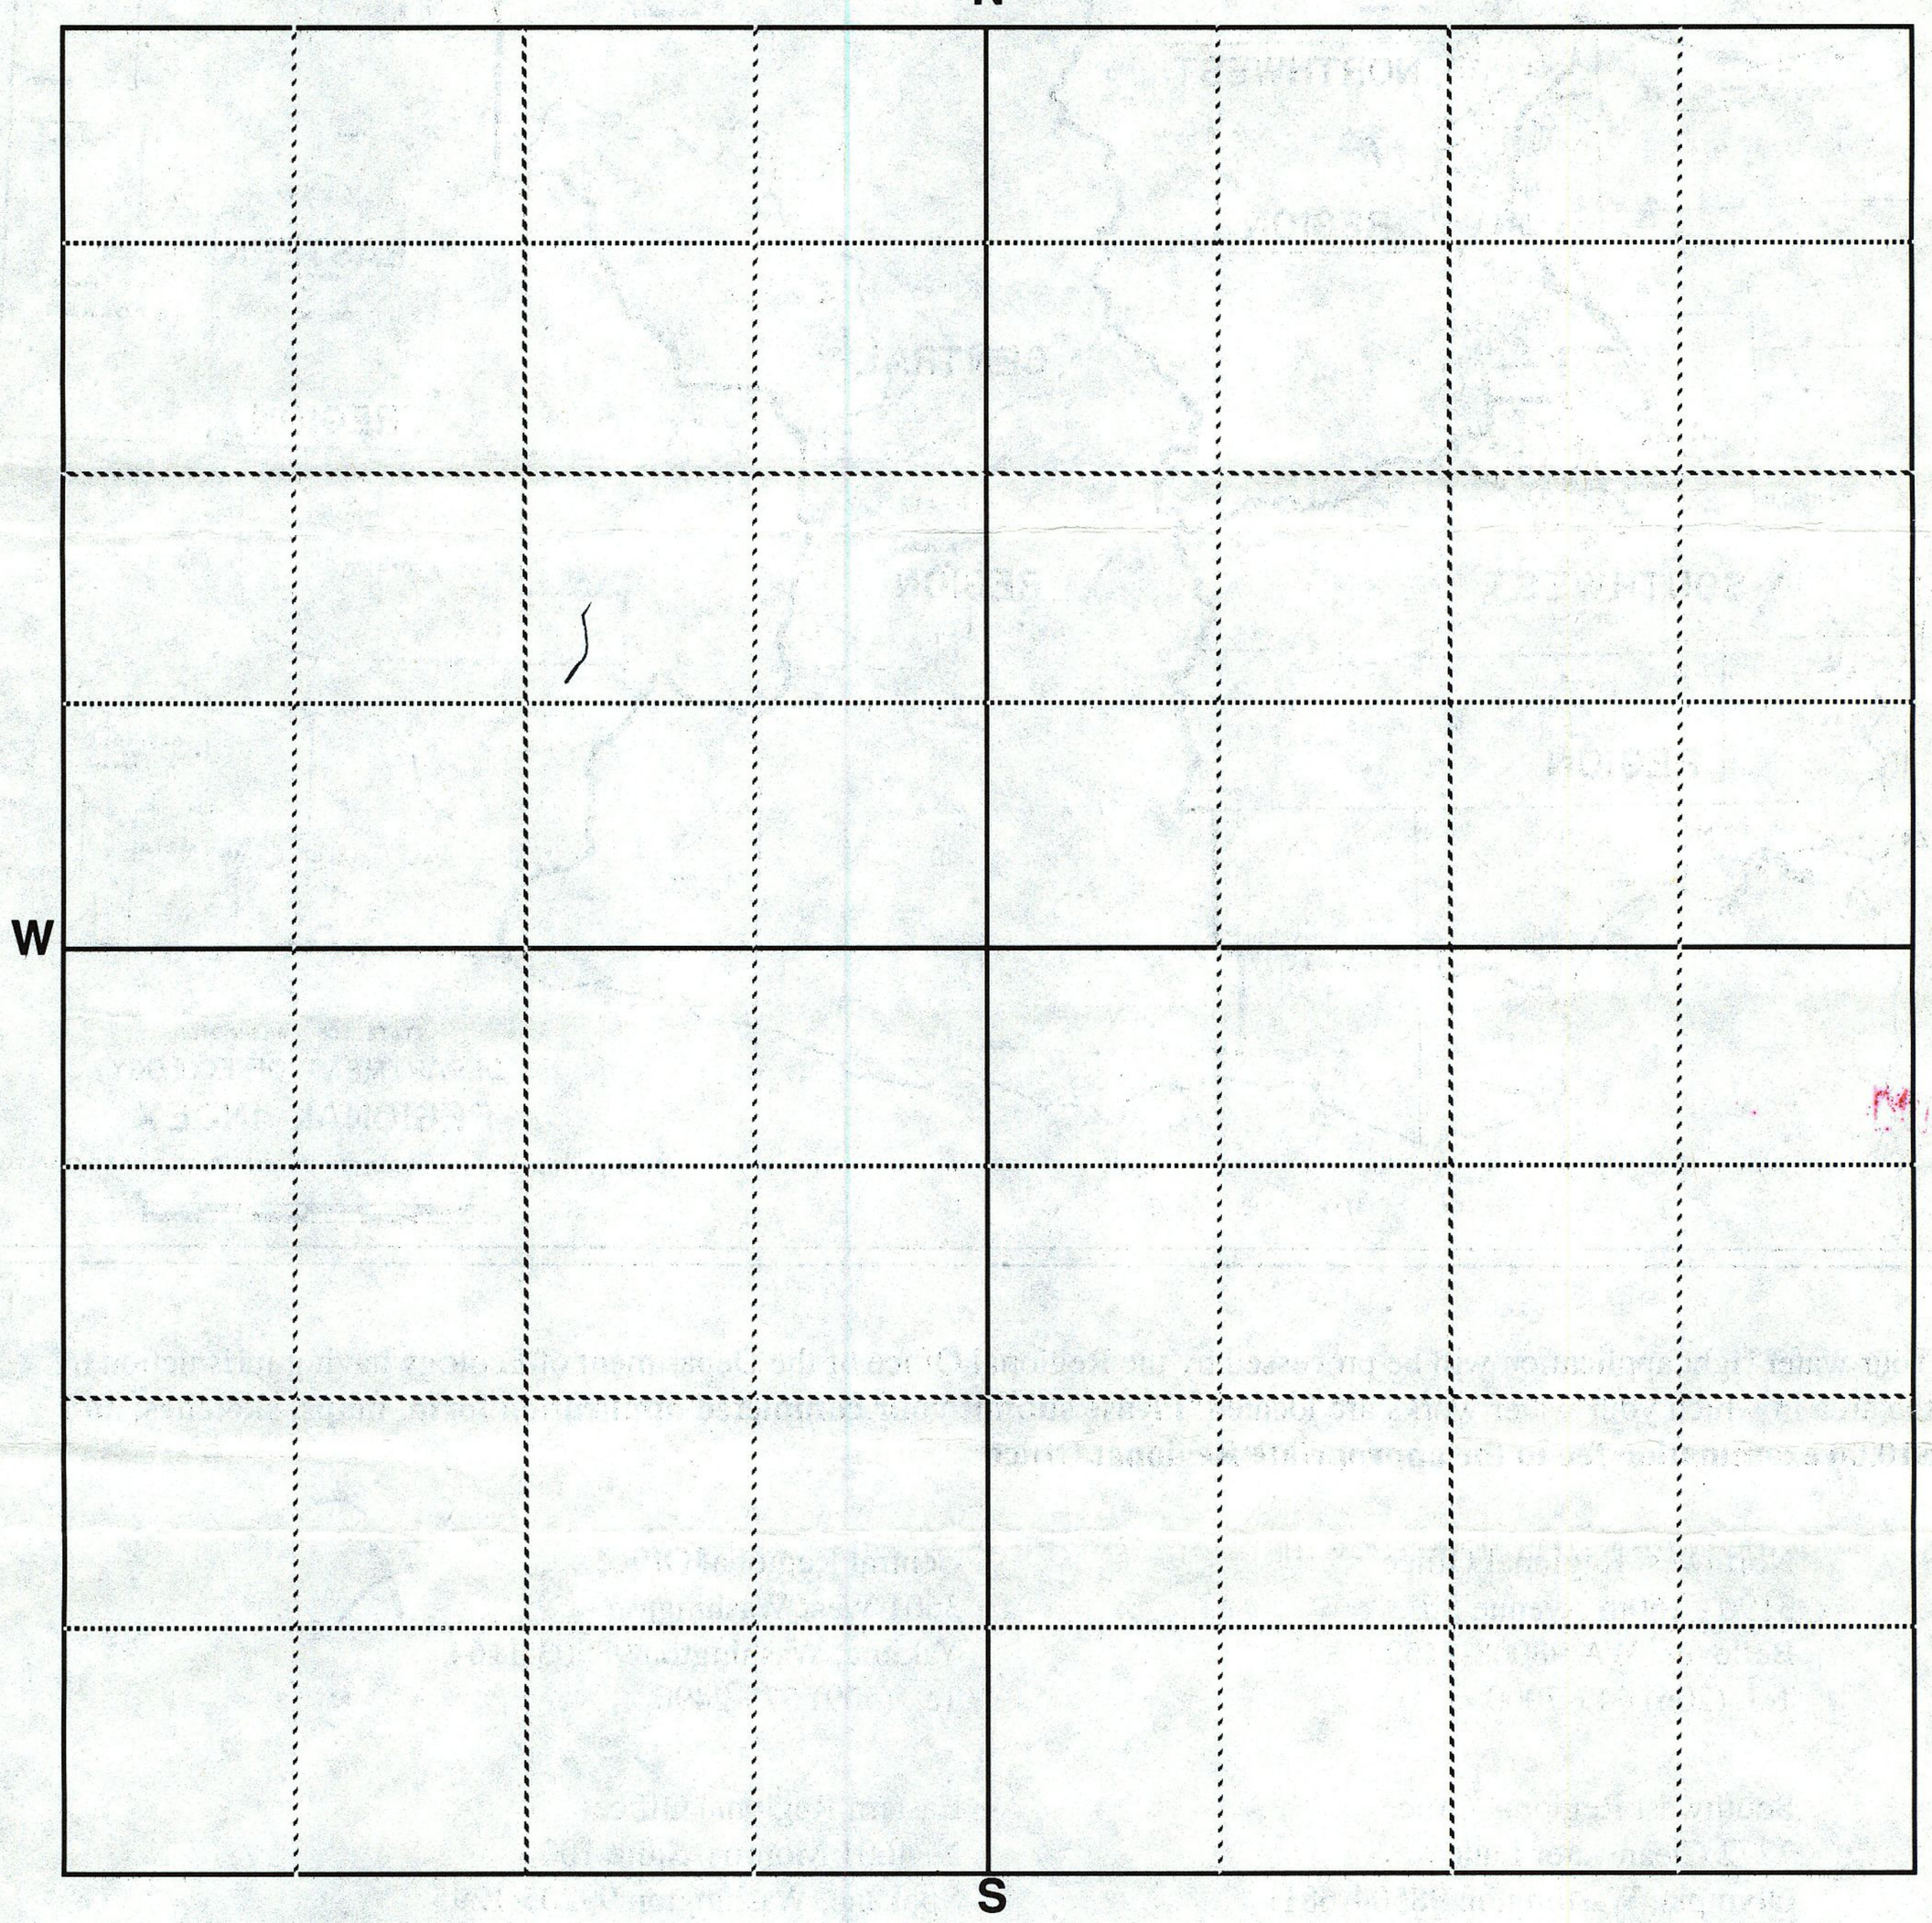
SECTION MAP

Sec. ..... Twp. ..... N. R. .....



Scale: 1 inch = 800 feet (each small square = 10 acres)

Show by a cross (X) the location of point of diversion (surface water source) or point of withdrawal (ground water source). For ground water applications, show by a circle (O) the locations of other wells or works within a quarter of a mile.

Indicate traveling directions from nearest town in space below.

The property is located on the Malaga-Alcoa Hiwy. about 3½ miles from Wenatchee South. on the right of Hiway.

My phone no. is 663, 6384 Wenatchee If you call me from Wenatchee I will meat you at the property + show the spring to you

Fold along scale

FEET 0 400 800 1,200 1,600 2,000 2,400 2,800 3,200 3,600 4,000 4,400 4,800 5,200

Detach this scale at the performation, fold excess paper under or cut off excess by cutting along the scale line. This scale corresponds to the SECTION MAP above. You can read feet directly from this scale to outline property and locate points of diversion or withdrawal on the SECTION MAP. Enclose this map along with the application and $10.00 examination fee.

RE: Surface Water Application

Your application and check No. 2813 in the amount of $10.00 are being returned for the following reasons:

1. I requested in my previous letter of April 2, 1992, that you provide the date your project was/will be started and when the project was/will be completed. You may write in "Completed" if you are finished; otherwise, please provide a specific date.

2. I also requested that you provide specific written driving instructions to your property on the Section Map page. That is still required.

You will retain your priority date of March 31, 1992, if you return your application, check and all the above-requested information by April 21, 1992. Otherwise, your priority date will be the date the above-requested information is actually received by this office.

You may contact this office at (509) 575-2800 if you have any questions.

Sincerely,

Myria J. Autrey Johnson

Dept of Ecology:

In reply to your letter
of Apr 14. The project is an unnamed spring
& the description in the inclosed papers.
The spring has been in use
for at least forty or more years.

The property is located on the
Malaga-Alcoa Hiwy.
about 3½ miles from Wenatchee South.
on the right of Hiwy.
my phone no. is 663, 6384 Wenatchee
If you call me from Wenatchee
I will meet you at the property &
show the spring to you

I hope these directions are clear

I am

Yours truly
H. W. Kellogg

RE: Surface Water Application

Your application and check No. 2813 in the amount of $10.00 are being returned for the following reasons:

1. You will need to provide a home and daytime telephone number where you can be reached.

2. You will need to indicate the date the project was/will be started and when the project was/will be completed.

3. You will need to provide a copy of a Chelan County Assessor's map of your property. You will need to highlight the boundaries of your property and mark with an X where the spring is located. Please provide enough detail so that we will be able to locate section corners. The map you provided did not provide enough detail to determine how the property lies within the section.

4. You will need to indicate whether you own the land where the spring is located.

5. You will need to provide a complete legal description for the property where the water will be used.

6. You will need to provide a brief description of the existing or proposed system.

7. You will need to provide specific written driving instructions to your property on the Section Map page.

You will retain your priority date of March 31, 1992, if you return your application, check and all the above-requested information by April 16, 1992.
