Re: Water Right Application
Israel Property
16407 North Shore Road
Lake Wenatchee
Leavenworth, WA

Dear Carol

I think the application is complete and the maps provided specific enough for your needs. Getting a section map would be difficult and inconvenient for me. If this is necessary I will certainly do so.

Please review application and let me know if I need to do anything else to complete the application to your satisfaction.

Sincerely,

Lawrence Israel M.D.
